

OPEN CALL for Long-term Volunteering

CREATIVITY 4 SOCIABILITY

in Constanta, Romania

Short description of the project:

Time: 01/11/2018 – 30/06/2019 – 8 months long

Place: Constanta, Romania – a big city near the Black Sea Coast

Objectives:

1. Increase awareness of the bullying phenomenon in the real and space, among 4 European volunteers and young people from at least 3 institutions in Constanta (high school, day care center, center for blind people).
2. Developing assertiveness and encouraging social activism for 4 EVS volunteers and at least 250 Constanta youngsters.
3. Increase the level of information of young people from at least 3 high schools in Constanta and for the partner organizations regarding the volunteering activities and the opportunities of the Erasmus + KA1 program.

Activities, 6 hours daily:

Creative workshops (upcycling art and hand craft activities) with 7-14 year-olds from the Day Care Centre.

Theatre workshops with blind people.

Assertive training by means of non formal methods and games, for high school students.

Various non-formal activities to promote volunteering in the community.

Work in hosting NGO in all administrative issues: writing projects, PR, organize community actions etc.

The expected results at the community level are increasing positive interactions between people with disabilities and community members, increasing the number of youngsters involving in activities, increasing the resilience of abused people.

Involvement in non-formal creative activities also increases the level of satisfaction and

improves attitudes towards work in general and lifelong learning, Helping volunteers to discover their inner potential in order to get a positive impact on their future career.
